New Safe Arrival System for SCDSB Schools—Call 1-888-885-8065

The Simcoe County District School Board (SCDSB) has a new Safe Arrival system at elementary schools. This system will support us in continuing to improve our home-to-school communication process and streamline absence reporting. **To report a student absence, call 1-888-885-8065.** Callers will be prompted to identify the school before leaving a message. Parents should include the student's name, teachers' name, dates, and reason for the absence. When schools do not hear from a parent/guardian, and a student is absent, the school will call home to find out the reason for the absence. If you have questions about the new system, please contact the school office.

Communication to families regarding inclement weather days

Please note that APM A3020 – Inclement Weather, 3.1.2 states that “parents/guardians are to be reminded, in writing at appropriate times (October and January) each school year, that it is their responsibility to decide whether or not it is safe for their child(ren) to leave for school under severe weather conditions.”

Inclement weather and bus cancellation information reminder

All information regarding cancelled buses in Simcoe County is posted on the Simcoe County Student Transportation Consortium (SCSTC)'s bus information website at www.simcoecountyschoolbus.ca. Our school is in the Central zone. When buses are cancelled, schools remain open for student learning, unless otherwise noted. School staff are expected to plan for such emergencies in order to transition students who are unable to attend due to inclement weather, to their online platforms (Google Classroom and/or SCDSBhub [Brightspace by D2L]) and continue with academic programming. It is always a family decision whether or not it is safe for their child(ren) to leave for school under severe weather conditions. The Consortium and bus operators try to make the decision to cancel school buses before 6 a.m. and make every effort to post announcements before 7 a.m. Inclement weather cancellations are effective for the whole day and buses cancelled in the morning will not run at the end of the day. You can follow the Consortium on Twitter [@SCSTC_SchoolBus](https://twitter.com/SCSTC_SchoolBus) for bus cancellations and other information. You can also subscribe to receive bus delay notifications here: <https://scstc.ca/Subscriptions/Login.aspx>.

School bus transportation information available from the SCSTC

In order to receive delay and cancellation notifications, families can check the Simcoe County Student Transportation Consortium (SCSTC) website at www.simcoecountyschoolbus.ca or download the 'BusPlanner Delays' app from the Apple or Android app stores to receive delay notifications to their devices. Users would need to select Simcoe County STC as the transportation authority. The app will need to be forced closed, but you will be able to select your student(s) routes or school to receive delays.

The app will send a general notice for any cancellation in Simcoe County. You only need to know which 'zone' you're in, so you would know which one to look out for in the app. You can find your student's zone by visiting the School Bus Status page at www.simcoecountyschoolbus.ca and clicking the dropdown for the area you live in.

Get on the move

There are many benefits to walking or wheeling to school. Walking or wheeling to school reduces traffic, helps students establish healthy lifestyles, is better for the environment and enhances community safety. Wherever possible, we encourage students with-in walking zones to *get on the move* and walk or wheel to school.
