## News and Reminders

### Ways Students Can Get Involved in School:

Throughout the year students will have the opportunity to get involved in the school. Already this year students have had the opportunity to get involved with Bus helpers, Eco Collection (green bin and recycling), and Lunch monitoring. Coming Soon: Cross Country Club and Recess Game Leaders.

### School Council Nominations for the 2023-24 School Year

School council is a committee made up of elected parents/guardians, community representatives and staff that help to provide the community voice and parent/guardian perspective on important school topics. School council nominations take place every fall. If you are interested, please complete a nomination form and return it to school. There are hard copies in the office for pick up or you can request one be sent home with your child. Our first meeting will be **Oct 3, 2023**, starting at 6:00.

### Arriving to School:

Students may arrive at school BETWEEN 9:15-9:30. **Please be reminded that there is no supervision until 9:15.** Students arriving after 9:30 will be required to sign in at the office. Please ring the front doorbell, and the office stay will meet the student at the door. Please be patient as there may be small delay before the doorbell is answered. Please stay with your child until an office staff has received your child.

Our parking lot is very busy especially at arrival and dismissal time. For everyone's safety, we encourage parents to have students in the bused areas to please take the bus to and from school daily and that walking students be walked to and from school.

### Transportation

The Simcoe County Student Transportation Consortium (SCSTC) provides all busing for eligible students within the Simcoe County District School Board.

### Emergency Drills:

Over the coming weeks we will be practicing several of our emergency drills. These drills include Lock Down Drill, Fire Drill and Evacuation Drill. All these drills are practiced several times throughout the year to ensure that all students and staff are aware of procedures in case of an emergency.
